
The Compliance Training Institute Launches ComplianceTrainingInstitute.com

ComplianceTrainingInstitute.com, an online compliance training and continuing education source, now offers accepted online courses for OSHA in English and Spanish.

For Immediate Release

DULUTH, Ga./EWorldWire/Oct. 23, 2006 --- ComplianceTrainingInstitute.com now offers OSHA-accepted compliance training and continuing education online courses with 24/7 customer service and technical support. This e-learning program offers courses for many industries, including construction, real estate, cosmetology, human resources, safety, insurance, finance, defensive driving, hospitality, and food and beverage. Online compliance training courses can be taken in one or more sessions. Upon the successful completion of a course, participants will receive a certificate of completion.

All courses are interactive; the course modules incorporate sound, animation, graphics, multimedia and built-in assessment tools. Courses are accepted by OSHA for online distribution and are now available in English and Spanish. Participants can also get OSHA course completion cards or become a certified OSHA Outreach Trainers.

Clients enjoy the look of the site and the easy-to-follow instructions that guide them through registering and completing their courses.
